Report on – Canva Workshop – CSI DBIT

Title: Canva Workshop
Date: 1st October 2025
Time: 11:15 AM - 01:15 PM
Venue: IT Lab 06
Target Audience: Second Year students of all departments

No. of Participants Present: 16

No. of Girl Participants Present: 11

No. of Boy Participants Present: 5

Resource Person: Riean R Esteves
Organization of Recourse Person: RSM Astute India, DBIT Alumni
Organizing Department / Committee / Authority: Computer Society of India (CSI-DBIT Student Chapter), Department of Information Technology
Faculty Coordinator: Prof. Udaychandra Nayak, Student Branch Counselor

Objectives:

❖ To introduce participants to the fundamentals of graphic design using Canva.
❖ To familiarize students with the Canva user interface, tools, and features.
❖ To enable attendees to create various types of visuals such as social media posts, posters, and presentations.
❖ To provide hands-on experience in designing and exporting projects for practical use.

Outcomes:

❖ Students are able to navigate the Canva platform and utilize its core features effectively.
❖ Students can apply basic design principles to create visually appealing graphics for academic and personal projects.
❖ Students are capable of designing, customizing, and exporting various digital assets like posters, presentations, and social media content.

Detailed Report:

The Canva Workshop was organized by CSI-DBIT on 1ˢᵗ October 2025, Wednesday from 11:15 AM to 1:15 AM at IT Lab 06, 3ʳᵈ Floor, A Wing, DBIT. The session was coordinated by Prof. Udaychandra Nayak.

Session Highlights

The workshop witnessed active participation from students eager to learn about graphic design. Attendees were guided through the theoretical principles of design and the practical aspects of using Canva's platform. The hands-on session allowed students to apply their learning in real-time by creating their own designs from scratch, which helped build their confidence in using the tool for future projects.

Hands-On Challenge

As part of the workshop, a poster design competition was organized where students were challenged to create creative and impactful posters using Canva. This activity encouraged participants to showcase their design skills and apply the concepts learned during the session.
The winners of the challenge were **Shraddha Hebbar (SE-IT)** and **Raissa D'Souza (SE-COMPS)**. As their prize, they were each awarded a one-year internship in DBIT.

Feedback Analysis:

Participant feedback for the Canva Workshop was highly positive. The session was praised for its practical approach, which successfully equipped students with a valuable and immediately applicable skill. Attendees found the focus on hands-on learning to be exceptionally effective, noting that it directly translated into a greater confidence in their own design abilities for both academic and personal projects.

Canva Workshop Feedback Ratings

Category	Average Rating
